### Notice of Intent to Adopt a Negative Declaration

**Notice is hereby given that the Dublin Unified School District has completed an Initial Study and Negative Declaration (IS/ND) in accordance with the California Environmental Quality Act for the project described below.**

**Project Description:** Dublin Unified School District (District) is proposing to acquire a 23.46-acre vacant real property for future construction and operation of a District high school and related educational purposes. The District's Board of Trustees adopted Resolution No. 2018/19-09 on September 25, 2018, determining that the public interest and necessity require acquisition of the site for public purposes.

**Project Location:** The school site proposed to be acquired is located at the southeast corner of Central Parkway and Chancery Lane in the City of Dublin, Alameda County, California (Assessor's Parcel Numbers 985-78-2, -3, -4, -5, -6 and -7). The site also includes the areas that make up 0.71 of the total 23.46 acres and are identified as part of South Grafton Street and East Finnian Way on Assessor's Map 985.

**Finding:** On the basis of the Initial Study, the District has determined that the proposed acquisition would have no adverse effects on the environment.

**The project site is not on a list compiled pursuant to Government Code section 65962.5. The proposed project is not considered a project of statewide, regional, or area wide significance.**

A copy of the IS/ND can be reviewed at the District's Administrative Office during regular business hours, located at 7471 Larkdale Avenue, Dublin, California, 94568 or online here:

**Public Hearing:** The proposed project and Negative Declaration were originally scheduled to be considered by the District Board of Trustees on August 20, 2019, but this hearing date was moved to August 27, 2019 at 5:30 PM at the District's Board Room, located at 7471 Larkdale Avenue, Dublin CA 94568.
