Registration and Enrollment Rules

- Summer School courses are open to DUSD students entering 10th, 11th, or 12th grade in Fall 2018.
- Summer School offers review classes to help raise D and/or F grades. These are not advancement courses.
- Use your December semester grade as a guide for whether you need to take a course during Session 1. Use your 3rd quarter grade or 4th quarter progress report as a guide for whether you may need to take a Session 2 course.
- Since all classes run for the entire morning, it is only possible to take one course at a time.
- Courses are divided into semesters. It is possible to take semester 1 of one course and semester 2 of another course during different sessions.
- **You cannot substitute Semester 1 grades for Semester 2 grades, or vice versa.**
- Consult your counselor and get written approval for your course choices.
- You must mail or hand-deliver your registration forms to your home school.
- **We do not accept telephone, email, or fax registrations.**
- Enrollment is on a First Registered – First Enrolled basis.
- Class offerings are not guaranteed and are based on enrollment and personnel. Parents will be notified as soon as possible if the class is cancelled.
- Students and parents are to assume they are scheduled for summer school unless they hear otherwise. **No notifications will be sent confirming registration.** The only communication to be sent will be if a class is cancelled or if you are placed on a waiting list.
- Please notify the Summer School Office, by phone or e-mail, if you wish to cancel your registration. This may open up a space for someone else on the waiting list.

Attendance and Behavior Policies

**General Rules:**

- You must take each course for the entire 3 weeks to receive credit.
- You may not audit courses or bring visitors to class with you.
- You will not be allowed to take a final early.
- You must return your textbook or pay the book replacement cost if you drop the course or before you take the final.
- You will receive an “Incomplete” grade if you do not return or pay for the textbook.
- Class is from 8:00 AM – 12:50 PM. There is a short break daily. In order to earn credit students may accumulate no more than one (1) absence during each session of the summer school. A tardy is arriving after the class has started up to 10 minutes late. Three tardies are considered an absence. The student may attend class to complete the academic work for that day. When a student accumulates a second absence, s/he will be dropped from summer school.
- All rules and regulations of the regular school year apply to summer school. Disruptive behavior and other behaviors that do not follow school and classroom rules are not permitted. Students not following school and class rules will be sent to the office. This will be recorded as an absence. A student who violates Education Code 48900 (i.e. fighting, drugs, smoking, etc.) will be suspended and dropped from summer school. Students dropped from summer school will receive no grade or credit.

**Student dress code:** The Board of Trustees believes that appropriate student dress is necessary in order to maintain order, provide a safe and productive learning environment and promote discipline. Dress that draws undue attention to or detracts from the educational process is unacceptable. Shoes are to be worn at all times. Hats, bare midriffs, spaghetti straps and inappropriate shorts are not allowed.
**High School Course Descriptions – Grades 9th, 10th, 11th, and 12th**
