

MARCH 16

Due to the school closures, my Courses 3 students will continue to review the material we have covered through "DreamBox". This online program allows me to monitor how many lessons students have completed and how much time was spent. I have selected the standards that are appropriate for you to practice.

Course 3

Sign in to Clever.com

Log - in with Google / search for Wells Middle School (if needed)

Scroll down to DreamBox and click to start lessons

DreamBox expectations:

Spend 45 minutes per day, 20 lessons per week

Complete Google form as review - <https://forms.gle/9uu1YGMqBepuX7i27>

March 31

Good morning,

Students, for the remainder of this week

1. please continue working on DreamBox.
2. please complete this google form on reviewing exponent rules
<https://forms.gle/65qYvhhQfwQJANH59>
3. please complete this google form on reviewing scientific notation
<https://forms.gle/AvVARDQHdkp6WXh57>

After spring break, our daily/weekly routine will change to include new material being taught, worksheet assigned for practice and google forms to complete to check for understanding. Please email me with any questions you may have. This message along with the links to the google forms will be on my website under "SCHOOL CLOSURE CURRICULUM" if you need to access it. Stay safe. Stay healthy!

:) ms silva

April 13-16

Date	Topic/work	link
Mon 4/13	Scientific Notation - Multiplying and Dividing Notes (Please have binder paper ready to take notes and file into your math folder)	Video of lesson Notes: (on YouTube) "Ms Silva" https://youtu.be/sEojp5ax5Ms "Ms Silva 2" https://youtu.be/PNOIoTaW54k HW: textbook pg 63 #1-6, 13,14,19 And worksheet practice #1-3,6,9,10,13,14
Tue 4/14	continue	IXL work G.3 and G.4
