

Kolb Elementary School Birthday Policy

We are excited to celebrate your student's birthday, and would like to do so as a healthy community. Instead of sugary snacks, parents/guardians can have their student celebrate with their class by choosing either:

A healthy class snack such as:

- Cheese sticks
- Yogurt and granola
- Granola bars
- Cut fruit
- Ham and cheese bites
- Muffins
- Applesauce

A class donation that can be used among the students such as:

- A class ball
- A class set of pencils
- Art supplies
- Books
- Stickers
- Post-its
- Board games/puzzles

Parents are not required to bring anything for their students' birthday, but can also feel free to bring both a snack and a class donation. *Please do not bring anything with nuts/nut products to ensure the safety of all of our students.*

Parent must communicate in advance to the classroom teacher if they would like to donate a snack or item in honor of their child's birthday. If you have any questions, including if something that is not on the list is appropriate, please ask your students' teacher for more details!
