

# Help Our Eagles SOAR!

Please support our NO DELIVERY/NO INTERRUPTION policy at Kolb.

Every time a student forgets a lunch, homework or other items and parents ask the school to deliver it, a classroom gets interrupted. Please promote responsibility in your students and help to foster a more focused learning environment.

The best way to do this is by being prepared:

- discuss the plan with your students,
- keep emergency money on a lunch account,
- use a check list by the door before leaving for school each day.

Thank you for your cooperation!
