1) Take STAR Assessment

2) Glue in the notes sheet (fold in half) (we will add the title to the Table of Contents later)

3) Complete the left side of the notes only.

4) Go to the course 2 notes section of Mrs. Castro's website. Check your answers for the first half of the notes. Change anything you got wrong.

5) Then while you are there, play one (or both) of the "Rational or Irrational?" games in the web resources, rational numbers section.

6) Complete the 2nd half of the notes (the homework)
