Re: Meal Price Increase

The purpose of this memo is to notify you that on Sept. 26th, the Dublin Unified School District Board of Trustees approved an increase in the price of school meals, effective Nov. 1st, 2017. The current prices have been in effect since July 1, 2014. While the cost of food and labor have increased over this time, our lunch prices have not. This increase will continue to help advance our nutritional standards and food quality.

The new school meal prices for full pay meals will be:

- | | | |
|--------|------------------|--------------|
| • K-5 | Breakfast \$2.50 | Lunch \$3.75 |
| • 6-8 | Breakfast \$3.00 | Lunch \$4.50 |
| • 9-12 | Breakfast \$3.00 | Lunch \$5.00 |

Families can apply for the meal assistance program at any time during the year. Applications can be picked up at the Child Nutrition Services office or can be downloaded from our website. There is also a link there to file online through our website at - www.dublin.k12.ca.us

The Child Nutrition Services Department of DUSD is proud to serve our students and we appreciate your support in helping us to provide the best food and service possible.
