## AWARENESS CONTEST

**O**ctober is National Bullying Prevention Month and Dublin Unified School District is committed to raising awareness of the negative effect bullying has on a person's life and in our community. Bullying often includes teasing, talking about hurting someone, spreading rumors, leaving someone out on purpose, attacking someone by hitting or yelling at them. Cyberbullying happens online, through text messages or emails. It includes posting rumors on sites like Facebook, sharing embarrassing pictures or videos, and making fake profiles or websites. We invite all students to participate in this contest and help stop bullying and cyberbullying from occurring at school and in our community.

- Please place videos and PowerPoints on a flash drive.
- A release form must be submitted for each DUSD student who appears in a photo, video or PowerPoint.
