### Classroom Project Summer 2017!

Spring 2017

Another great school year is wrapping up and summer is fast approaching! Capacity analysis and projected enrollment growth for the upcoming school year indicates the need for placement of additional classroom space at Murray Elementary. Staff was asked to move forward with an interim housing project at Murray for the 2017/18 school year, and in March the Board of Trustees awarded an architectural services contract to HKIT Architects. The project is in the design phase and state building approval is anticipated in May. The

project scope includes six relocatable classrooms and one restroom building with utilities. Classrooms will be furnished with district standard technology and furniture.

Construction is scheduled to start summer 2017 and to be completed and ready for occupancy for the start of the 2017/18 school year. Enjoy the summer break and we'll see you in the fall!
